The readers of this paper will be  
pleased to learn that there is at least  
one dreaded disease that science has  
been able to cure in all its stages, and  
that is catarrh. Hall's Catarrh Cure  
is the only positive cure now known to  
the medical fraternity. Catarrh being  
a constitutional disease, requires a  
constitutional treatment. Hall's Catarrh  
Cure is taken internally, acting directly  
upon the blood and mucous surfaces of  
the system, thereby destroying the  
foundation of the disease, and giving  
the patient strength by building up the  
constitution and assisting nature in  
doing its work. The proprietors have  
so much faith in its curative powers  
that they offer One Hundred Dollars  
for any case that it fails to cure. Send  
for list of testimonials.

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers  
is sure to know of the wonderful  
cures made by Dr. Kilmer's Swamp-  
Root, the great kidney, liver and bladder  
remedy.

It is the great medical triumph of the  
nineteenth century; discovered after years  
of scientific research by Dr. Kilmer, the  
eminent kidney and bladder specialist,  
and is wonderfully successful in promptly  
curing lame back, uric acid, catarrh of  
the bladder and Bright's Disease, which  
is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended  
for everything but if you have kidney,  
liver or bladder trouble it will be found  
just the remedy you need. It has been  
tested in so many ways, in hospital work  
and in private practice, and has proved  
so successful in every case that a special  
arrangement has been made by which

to find out if you have kidney or bladder  
trouble. When writing mention reading this  
generous offer in this paper and send your
